Dear supporter,

The new subscription year has just begun and the recent AGM agreed with the Committee's view that subscription levels had to rise slightly, this year. The new subscriptions for individuals and families are:

- £7.00 for individuals
- £8.00 for families
- £15.00 for an individual with **Music Extra**
- £16.00 for a family with **Music Extra** (to cover the cost of additional information on the concerts)

Some of you may be aware of the Tollinton Fund, set up in memory of the late Dr Tollinton, which aims to promote music by and for young people at the ARC. There is an opportunity to contribute to this fund below. If you would like further details on the Fund, please contact Marlies Heinecke at the ARC.

As members will also know, St John's Arts and Recreation Centre operates on a largely voluntary basis and the Management Committee is extremely grateful for all the efforts of its supporters. Nevertheless, a continuing programme of maintenance, cleaning and refurbishment requires professional skills, with all of the associated costs. Your subscription only helps to offset the cost of publicising events at the ARC and, as in previous years, we are making an appeal for donations to the Association's general funds from those members who feel able to supplement the modest subscriptions outlined above.

Many thanks to all of you who have returned Gift Aid forms: the form only needs to be completed once. This Gift Aid will help us to reclaim further revenue from HMRC. No action is required in future years, as these continue in force until your subscription lapses or you notify us that you are no longer a tax payer. If you need a Gift Aid Form, please contact the ARC office and they will send you one. Please send (or take) your subscription to the address at the head of this letter, together with the tear-off slip below. Cheques should be made payable to "St John's ARC". Unfortunately, we cannot accept credit or debit card payments.

Yours sincerely,

John Bilton, Membership Secretary.
